In making this commitment we are aligning our targets, strategies, and actions towards the **three pillars of the commitment** within our own facilities and facilities of our tier one suppliers.  ZERO FRESHWATER		By _____ we commit to ensuring that _____ of total water use in our own facilities is reused or recycled water
 LOW-CARBON TREATMENT		In alignment with our science-based emissions reduction targets made in _____ we commit to reducing the emissions associated with treatment and discharge of wastewater by using low-carbon processes
